Traffic Advisory

St. Clair Avenue Resurfacing Project

West 9th to West 10th & East 13th to East 55th

CLEVELAND – Beginning Monday, August 8th, work will commence on the St. Clair Avenue resurfacing project. This project will replace the existing asphalt pavement from West 9th Street to West 10th Street and from East 13th Street to East 55th Street and will install new ADA compliant curb ramps.

During the resurfacing between West 9th Street and West 10th Street, one lane will remain open for eastbound traffic and westbound traffic will be detoured to West Superior Avenue and Robert Lockwood Jr. Drive. Motorist should be alert for detour signage used to direct traffic. These traffic restrictions are scheduled to be in place until September 2016. The construction administration of this project is being performed by ODOT.
